MOOD:  curious

MUSIC: yawning

Do you think Ada Lovelace (https://www.livejournal.com/away?to=http%3A//en.wikipedia.org/wiki/Ada_lovelace) was a jammer?

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

She's certainly got enough trauma to support it. What tweaked you?

It was the serious illness at 17, followed by mad math skillz. And the differing accounts of her looks: dainty, or big? An upper-class woman could afford the food bills.

But she's not nearly as cute as Wabbit.

But-then-who-is?

There's a primary trauma too: her father leaving. Initial crack, secondary crack. I think maybe you got

one.

Speaking of jamming, did you see, omg, the TRAFFIC? I stayed in all weekend. Hurry up and make history so I can get my city back.

COLLAPSE

Nobody, baby, that's who. <3

Heeee. Yep, it's like the World's Biggest Birthday Party out there. The Metro's packed...but everybody's happy. Apologizing for bumping into each other, laughing about it, offering their seats to old people and little kids.

I'm going to enjoy it while we've got it, and help keep it going as long as I can.
